

GROUP COURSE SCHEDULE

Beginner Portuguese.....Thursday 3pm

Are you ready to kick-start your Portuguese education? Learn to introduce yourself, talk to your new neighbors, describe your personal preferences, and much more!

Portuguese A1.....Monday 3pm

Develop your conversational and communication skills through role-playing and other speaking activities. Beginner Portuguese A is a prerequisite for this course.

Portuguese A1+.....Wednesday 3pm/Saturday 3pm

Designed for students who have completed A1, this course strengthens basic communication skills while building greater fluency and accuracy. Learners will expand vocabulary, practice everyday interactions, and gain confidence to move toward the A2 level.

Portuguese A2.....Tuesday 3pm

Build upon the basic foundation provided by Portuguese A1 and A1+. In this course, you will further develop your linguistic competency in comprehension, writing, and oral communication. Portuguese A1+ is a prerequisite.

Practice A2.....Monday 5pm

This course completes level 2 of language proficiency and emphasizes improving oral comprehension and creative expression through role-playing and other activities. Portuguese A2 is a prerequisite for this practice course.

Practice A2+.....Tuesday 5pm/Saturday 8:30am

This course completes level 2 of language proficiency and emphasizes improving oral comprehension and creative expression through role-playing and other activities. Portuguese A2 is a prerequisite for this practice course.

Intermediate Portuguese B1.....Tuesday 5pm

Ideal for learners who have completed A2 and are ready to move beyond basic communication. This course focuses on strengthening listening and speaking skills in real-life situations, while also expanding vocabulary and grammar for more complex interactions. By the end, students will be able to express opinions, narrate past events, and engage in everyday conversations with greater confidence.

Intermediate Prac. Portuguese B1+.....Thursday 5pm

Designed for students who have completed B1, this course consolidates intermediate skills and introduces more advanced and precise language use. Learners practice fluid conversation, refine grammar accuracy, and work with authentic materials such as articles and short stories. Students will gain the ability to discuss abstract topics, support arguments, and interact comfortably in social and professional contexts.

CIPLE Exam Prep. Course A2.....Saturday 10pm

This is an intensive class to prepare for the CIPLE exam for portuguese nationality or permanent residence.
